FIELD TRIP GUIDELINES

- Check BBC program schedule, newsletter, website and e-bulletin for trip details and changes.
- Report arrival and departure to leader.
- Do not go ahead of leader while walking or in caravan.
- Speak quietly on a walk or move to the back of the group when talking. “Bird listening” is as important as “Bird watching”.
- **DO NOT** play bird song or call recordings without leader approval.
- Leave dog at home.
- Children under 16 must be accompanied by a responsible adult.
- “Take nothing but pictures, leave only footprints.”
- Go Green - Carpool on all trips to save on gas.

MEETINGS AND FIELD TRIPS SCHEDULE

BIRDERS OF ALL SKILL LEVELS AND AGES, INCLUDING BEGINNERS AND YOUTH, ARE WELCOME AND ENCOURAGED!

********

Events may be cancelled for inclement weather or due to the Coronavirus (COVID-10) outbreak. When in doubt, check with the trip leader. The BBC online scheduled is updated regularly to reflect any changes. As of March 19, the Baltimore Bird Club has decided to cancel all walks and events through April 30. Effective Monday, March 23: "All recreational activities at the Liberty, Loch Raven, and Prettyboy reservoirs will be suspended. This includes hiking, kayaking, mountain biking, boating, fishing, and horseback riding" (from the Baltimore City DPW website). Currently, individuals are still welcome to walk in other Baltimore City and Baltimore County parks, but facilities may not be available. Please check with the individual park for the most current information.

MAY 2020

**MAY 2** (Sat) 7:30 am-12:00 pm **Susquehanna State Park, Rock Run Gristmill.** Meet at the lot at the end of Rock Run Rd., next to the old mill building. Trip to the river in Harford County for resident Cerulean and Prothonotary Warblers and a collection of spring migrants. This is one of the best spring warbler watching sites in Maryland; 18 to 24 warbler species possible in a single day. Contact the leaders in advance for possible carpooling. Leaders: Brent and Mary Byers, 410–686-7294 or baypuffin@hotmail.com.

**MAY 3** (Sun) 8:00 am **Oregon Ridge and Agricultural Center.** Oregon Ridge is a good spot for warblers, thrushes, and other passerines. The Center for Maryland Agriculture, just across Shawan Road, has a variety of open habitats; we’ll look here for sparrows, meadowlark, Killdeer, etc. Meet at the Oregon Ridge Nature Center. Leader: Simon Best, simonrabest@gmail.com.

**MAY 3** (Sun) 8:15 am **Cylburn Walk and Quarry Lake.** Meet at the main Vollmer Center parking lot for easy birding in Cylburn's gardens and urban forest. Expect to find a variety of migrant and resident birds. Then we’ll move to nearby Quarry Lake for a different set of habitats. Beginning birders welcome. Leader: Peter Lev, 410–952-9426 or plev@comcast.net.
MAY 5 (Tues) 8:00 am Lake Roland. Continuing series of weekly walks following the progress of spring migration in Lake Roland's varied habitats. Meet at the Light Rail Parking Lot (Boardwalk entrance to the park). Check with leader if weather is extreme (rain, wind). Leader: Peter Lev, plev@comcast.net or 410–952-9426.

MAY 5 (Tue) 7:00 pm Tuesday Evening at Cylburn. Continuing series of monthly feature presentations and slide shows. Tonight: Daisy Sudano will present "The Cohabitation of Shorebirds and Horseshoe Crabs". Daisy will do a presentation on Maryland's oldest living fossil, the Limulus Polyphemus or better known as the Horseshoe crab and their part in making sure many migrating shorebirds, especially the Red Knot, continue to thrive in existence.

MAY 6 (Wed) 8:00 am - noon First Wednesday Walks at Fort McHenry. Continuing survey of bird activity at the Fort and wetland. Telescopes useful. Cancelled in bad weather. Park outside the main entrance gate, in lot on left, and meet at the gate. Leader: Mary Chetelat, 410- 665-0769 (alternate contact Wendy Alexander, 443- 204-3754).

MAY 9 (Sat) May Count. Here's your opportunity to count birds in a Baltimore City or Baltimore County territory of your choice on one of the best migration dates of the year. Feeder bird watchers also welcome. Contact the coordinators ahead of time to avoid duplication. Coordinator: Kevin Graff, keyweststyle2001@gmail.com or 410–967-5896 (text only).

MAY 10 (Sun) 8:00 am – 5:00 pm Dupont Nature Center We will be visiting the DNREC's DuPont Nature Center in Milford, DE and make some stops along the shoreline on our drive along Bay Avenue and Slaughter Beach. The DuPont Nature Center is a science-based educational and interpretive facility with interactive exhibits designed to connect people with the Delaware Bay's natural history and ecology. More than 130 species of birds, fish, shellfish, and other animals can be found in the surrounding estuary habitat. Minimal walking. Please bring a bagged lunch. RSVP- 14 participants only Leader: Daisy Sudano-Pellegrini, dsudanotrainings@yahoo.com , 443–416-9867. Meet at Coppermine Fieldhouse parking lot.

MAY 10 (Sun) 7:30 am sharp. Hemlock Gorge Trail. Fairly easy, almost level, slightly downhill half-mile walk from bridge to gorge. Rapids at end with hemlock trees both sides of the Gunpowder. Cerulean Warbler possible (sang in previous years), warblers, vireos, flycatchers and tanagers on territory. Optional side trip to see nesting Cliff Swallows and Red-headed Woodpeckers. Meet at Mt. Carmel Rd. Park & Ride. Leaders: Matt Lince, mllince@comcast.net and Kevin Graff, keyweststyle2001@gmail.com or 410–967-5896 (text only).

MAY 10 (Sun) 8:00 am Marshy Point Nature Center. Easy half-day walk through varied habitats for feeder birds and other songbirds, raptors, and waterfowl.
